

THE  
BARTON

*Let the frivolity commence*

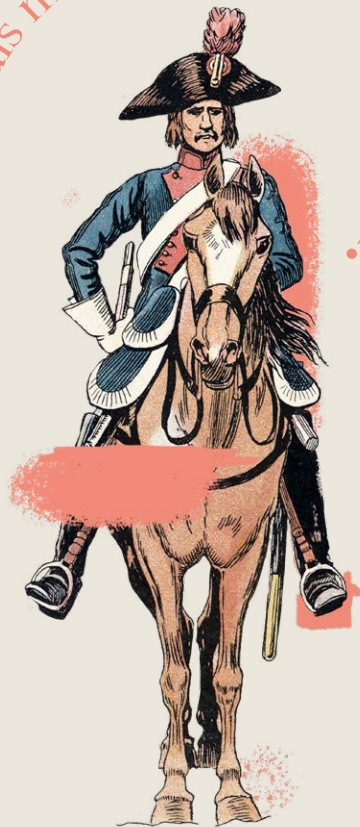

## WELCOME

The K Club has always been famous for its colourful past. Take Hugh Barton. The grandson of Thomas Barton, one of the original Wine Geese, Hugh made his fortune in the vineyards of Bordeaux. In 1793 his luck changed and Hugh found himself at the mercy of the French Revolutionaries. Through connivance and cunning he dodged the steely blade of the guillotine and escaped to Ireland where he acquired Straffan Estate.

The K Club and Barton family remain inextricably linked to this day. In fact, each year our Sommelier returns to the Chateau to create our own unique blend of Bordeaux house wines.
