Membership at The Straffan Golf Club

We are delighted to have the opportunity to provide you information and membership rates for The Straffan Golf Club. The Straffan Golf Club is located within the grounds of The K Club, playing the iconic Palmer South Course.

Designed by the trailblazing Arnold Palmer, the Palmer South Course has hosted some of golf's biggest tournaments, and most exhilarating moments. Remember when Colin Montgomerie finally ended his 18-month trophy drought and somehow stayed out of the water on the 18th to win the 2007 European Open by just one shot? That happened right here, as did two other European Opens and the 2022 Irish Challenge.

The variety of interesting landscapes with dune-style mounding and dramatic rock features makes this inland links course a challenge you'll want to take on over and over again. So here's how to get the best out of it...

Membership to The Straffan Golf Club includes:

- Full access to the South Course, designed by Arnold Palmer
- Access to private locker rooms
- Access to our online booking system for competitions
- Reduced rates for accompanied guests & direct family members on the South Course
- Discount for K Spa Membership
- Access to our Tennis & new Padel courts (charges may apply)
- Golf Ireland & Insurance levies
- Straffan Club Bag tag & members loyalty card
