“HOPE MAKES A GOOD BREAKFAST.
EAT PLENTY OF IT.”

Ian Fleming

The K Club has always been a hideaway of sorts, entertaining a host of legendary guests throughout its history. One of which was Ian Fleming, friend and pal of former Estate owner and movie director Kevin McClory. Together they brought 007 to the big screen. Some even say Ian found a certain refuge on the Estate's island, where he put pen to paper as the Liffey flowed around him.
